Subject: Follow to Roundtable questions

Link to Application Status Search web page:

California's State Water Board Division of Financial Assistance helps communities finance the cost of water infrastructure projects. The application status tool allows users to search the status of drinking water and clean water applications that have been submitted for funding consideration and are under review. Applicants who have received a funding agreement are not on this report.

You can search the status by Applicant, Project Title, Project Number, County, District, or Region. Please type keyword in search box and click search button.

<https://public.waterboards.ca.gov/dfaAppSTAT/>

I hope this helps

Jim

James Maughan
Assistant Deputy Director
Division of Financial Assistance
